- Dr. Greg Lehman, Author of Recovery Strategies, Your Pain Recovery Guidebook. "Playing With Movement is a marvelous synthesis of science related to fitness, health, sport and complexity. The writing is lucid and inspiring, with substantive content that could fill numerous books.

*Review: A Guide to Better Movement + Interview with author ...*

I recently read Todd Hargrove's book, "A Guide to Better Movement". I don't recall who initially recommended Hargrove's book to me, but it was after I had mentioned that I was reading and Katy Bowman's "Movement Matters" a few years ago.

*A guide to better movement : the science and practice of ...*

I recently finished the A Guide to Better Movement, one of the best books I have read in a while. If you are a PT, DC, ATC, MT, strength coach, fitness enthusiast, or you are alive and moving, you should stop reading this blog, and go and get the book here. What is my one sentence review of A Guide ...

*9780991542307: A Guide to Better Movement: The Science and ...*

In the first part, the science of moving better, Hargrove discusses the essential qualities of good movement (coordination, responsiveness, distribution of effort, division of labor, position and alignment, relaxation and efficiency, timing, variability, comfort and individually customized). I especially love his section on relaxation and efficiency as I believe this to be a huge factor for the men and women I treat experiencing chronic pelvic pain.

*A Guide To Better Movement PDF EPUB Download - Cause of ...*

The mainstream idea is that joint mobility drills work by making changes to the local muscular and connective tissues involved in the movement. The vision seems to be that joints and connective tissues get "gummed up" or stuck, and that repetitive movement can get those joints freed, oiled, smoothed out and aligned.

*Book Review: A Guide to Better Movement - Pelvic Floor ...*
