Hey everyone! This is the third guide I've ever created and I wanted to start with a short introduction about myself and the hero featured in this guide, Viper the Netherdrake. I've been the Community Manager of DOTAFire since March 4th 2014 and I've started playing Warcraft III's DotA map back in 2007.

Bio: The Black Viper was a notorious burglar, pickpocket, mugger, and assassin who died a century ago, after a long and nefarious career. Esvele Rosznar, a brash young noble, has recently adopted the Black Viper's persona to lead a secret life of crime. Like many other nobles, Esvele gossips about the Black Viper's exploits to lend credence to the villain's mystique.

This is a copy of Black Viper's Service Tweaks made available only as a courtesy for when his website goes down. It's happened a couple of times, most recently on December 17th, 2016, and can sometimes disappear for a while. Enjoy! While originally written for XP, as you know, Windows services haven't changed THAT much so these tweaks apply to multiple Windows versions.
