A Distant Shore (2003) - Caryl PHILLIPS | A Novel Approach

A Distant Shore is the seventh novel from the prolific Caryl Phillips, who was nominated for a Booker for his 1993 Crossing of the River. A Distant Shore is a beautifully realized piece of fiction with its two central characters permanently adrift in an England that has no room for either of them. "England has changed," starts the novel in the voice of Dorothy, a fiftyish school music ...

A Distant Shore -- book review

This article discusses Caryl Phillips' novel, A Distant Shore (2004), in the light of recent work by John McLeod and Bill Ashcroft's notion of the transnation to describe a revised sense of the British nation within which new resemblances gesture towards the potential for a post-racial society. These ideas will be applied to Phillips' sense of himself as occupying an ontological mid ...
