How to Replace a Full Side View Mirror on a Toyota Avalon ...

Your rear view mirror does much more than help you back up. When you go to adjust your rear-view mirror as you are leaving work in your parallel-parked car, and it breaks off with the slightest pressure, it can be tremendously frustrating. In fact, your rear view mirror snapping off would be more than just inconvenient.

How to Replace a Rear View Mirror | Toyota DIY Maintenance

Side mirrors get banged up a lot. Usually in parking lots, or unfortunately in your own garage. Often times, a side mirror cover is the only part of a side mirror assembly that gets damaged. It's the housing that covers the entire assembly (except the glass). Its purpose is to protect the wiring and other components from moisture and debris.
