Health care financing and the sustainability of health systems

Access to care and wait times: In the absence of a price system, wait times ration health services for patients, imposing a cost on them. The cost diminishes if patients with a higher potential gain from treatment are also the patients with the shortest wait.

WHO | Health financing policy strategy

This overview discusses articles published in this issue of the Health Care Financing Review, entitled "Consumer Information in a Changing Health Care System." The overview describes several trends promoting more active consumer participation in health decisions and how consumer information facilitates that role.

This paper examines the efficiency and equity implications of alternative health care system financing strategies. Using data across the OECD, I find that almost all financing choices are compatible with efficiency in the delivery of health care, and that there has been no consistent and systematic ...

Colorado Department of Health Care Policy and Financing

Diane McIntyre captures here the state of thinking and evidence on health care financing choices and their impact in developing countries, and points out that a hard-won consensus has been achieved in the field. There is now little doubt that prevailing systems that rely heavily on out-of-pocket fees - with all their adverse effects ...

Health Finance Issues - National Conference of State ...

Financing sustainable health care: who must pay and how? The answer to the question of who must pay for health care and how lies in the moral fabric and the value system of a society. It is a deeply ideological and political question with undertones of social involvement, personal responsibility, and freedom of choice.

Health Care for All Colorado (HCAC) is a nonprofit organization in Colorado working to: 1) inform Coloradans about advantages of the single-payer system of financing health care, 2) create a coalition that will develop strategies for achieving comprehensive, affordable and high quality health care for all Coloradans, and 3) build a grassroots ...

HEALTH FINANCING - COHRED

Health finance includes the mobilization of funds for health care, the allocation of funds to specific regions and population groups and for specific types of health care, and/or mechanisms for paying for health care. Rising health care costs continue to dominate the American health policy agenda.

Choices in Financing Health Care and Old Age Security ...

Health care expenditure involves money spent from all sources for the entire health sector, regardless of who operates or provides the services. The methods of financing health care include tax supported, social security supported, employer-employee financed, charitable organizations, or consumer payment at the time of service.

Health Care Choices Proposal: A New Generation Of Health ...

The economic crisis brought an unprecedented attention to the issue of health system sustainability in the developed world. The discussion, however, has been mainly limited to "traditional" issues of cost-effectiveness, quality of care, and, lately, patient involvement. Not enough attention has yet been paid to the issue of who pays and, more importantly, to the sustainability of financing.
