Conquering the Impossible: My
12,000-Mile Journey Around ...
Conquering the Impossible is the
gripping account of Horn's grueling
27-month expedition by sail and foot
through extreme Arctic conditions that

nearly cost him his life. Enduring temperatures as low as -95 degrees Fahrenheit, Horn battled hazards including trekking on unstable ice that plunged him into frigid waters, encounters with polar bears so close that he felt their breath on his face, and a fire that destroyed all of his equipment and nearly burned him alive.
