Newborn Genitalia Exam - FPnotebook.com

Keep everyone in the loop by documenting exam findings and your next steps with the patient. It's important to note that, well, in real-life documenting a physical exam doesn't always happen exactly as you learned in school. Under pressure to be efficient, most providers abbreviate physical exam documentation to just the necessities.

HIC# DATE OF SERVICE SPECIALTY EXAM: GENITOURINARY (FEMALE)

PELVIC EXAM TERMINOLOGY | To document findings, use terms from the FGGT and the pelvic exam case report forms y When the term from the case report form is more specific than the term from the FGGT, use the term from the case report form y Use routine QC/QA opportunities to help ensure consistency of terminology across staff and exams
