Happy Homes And How To Make Them

Our homes are an extension of who we are: what we do within the walls of our abodes shapes our mood, affects our productivity, and influences our outlook on life. Scientific studies have shown that we can have an impact on our happiness by adjusting the tiny little habits and routines that constitute our daily lives—we are, in fact, in control of our outlook on life.

In Animal Crossing: New Horizons, players are rewarded from the Happy Home Academy (or HHA) for homes that are well put together. The HHA rates how well a home is filled, how well the items in the player's home match when all together, and whether or not the home follows the game's rules of Feng Shui. Although this idea seems fairly straightforward, it can be tricky to raise a player's HHA score.
