The Practical Guide to
Project Management

Introduction Why we
wrote this Guide This

Guide evolved from
common client

questions about
market risk

management. While
there is a significant

amount of quantitative
research and high-level

risk management

literature, there are

few practical resources

at the risk manager 's

disposal. The Guide

Introduction 1.1 The

Project Process Figure

2: The Project Process

This is the Project

Process using the

PMBOK® terminology.

It shows that

“Planning” and

“Executing” are not

discrete processes but

continue throughout

the life of the project,

from beginning to end.
