Clifford F. Gray and Erik W. Larson have written a very detailed and lengthy book with real world case studies especially ones based in India. It serves as a reference for my Information Systems Project Management course I had. However this wasn't the best reference book I ever had my Fall 2017 semester while attending university.

**mim.ac.mw**

It focuses on how project management is integral to the organization as a whole. The 4th edition reflects the latest changes found in the practice. Other texts discuss the topics covered in this text but they do not view oversight as the project manager's operating environment, as does Gray/Larson.
