The first step in becoming a professional is to earn a degree in education and meet state licensing standards. While specific actions demonstrating professionalism may vary, here are five standards most professional teachers have in common.

~~Professionalism: An Introduction | VLS~~

The professionalism in child care should be pretty high standards because you are dealing with children which can be a difficult task area. I like that you mention having a calendar or plan for everything because that will help the children to follow something and know when it is time to goof off and when it is time to do something else.
