Psychotic Reactions and Carburetor Dung: The Work of a ...

Lester Bangs was a celebrity within the world of rock 'n' roll from the early '70's to his death in 1982. A musician himself, he was driven by his love for the music and contempt for all pretension. He was a prolific and hugely gifted writer, as much part of the scene as he was a writer about it. This book covers a vast range of music from Presley, through the Animals and the Yardbirds, on to ...
