inception in the early 1990s. Field experts Giovanni De Micheli, Rolf Ernst, and Wayne Wolf introduce sections of the book and provide context for the papers that follow.

Version 3, September 1999 Jaap Hofstede Design of Embedded ...

Introduction to Hardware-Software Co-Design presents a number of issues of fundamental importance for the design of integrated hardware software products such as embedded, communication, and multimedia systems. This book is a comprehensive introduction to the fundamentals of hardware/software co-design. Co-design is still a new field but one which has substantially matured over the past few years.

Reading Hardware Company - Wikipedia

Reading Hardware Company Butt Works, also known as "The Hardware," is a historic factory building located in Reading,
